Union College, Schenectady, NY

June 2028

Bachelor of Science in Computer Engineering,

GPA: 3.7; Dean's List: 2024-25

Activities: Sigma Chi Fraternity (Gamma Zeta), Kustos; Catholic Student Association, Campus Minister

EXPERIENCE

Eulerity, New York, NY

Backend Summer Intern, June 2026-Present

- Engineering "Eulerity Careers": a full-stack recruiting platform leveraging React and Claude AI to automate candidate sourcing and matching, saving \$10k annually as a Greenhouse replacement.
- Building an AI-driven feature that generates weekly customer review-response templates for brand approval, using OpenAI structured output grounded in historical review data across 100+ franchises.

Union Finance Bootcamp, New York, NY

Student Participant, November 2025-December 2025

- Selected for an intensive two-week finance immersion program focused on financial modeling, valuation, markets, and industry fundamentals taught by Union faculty and finance professionals.
- Engaged in structured networking to gain actionable insights into investment banking, asset management, and private equity career paths.

Whippoorwill Club, Chappaqua, NY

Outside Operations Team Member, August 2022-August 2024(seasonal)

- Overhauled facility infrastructure and equipment while successfully proposing the addition of H-1B staffing to elevate service quality.
- Partnered with Golf Professionals to execute tournaments and trained new staff/caddies on operational standards and member engagement.

ORGANIZATION/LEADERSHIP EXPERIENCE

Planning and Priorities Committee, Union College, Schenectady, NY

Student Chair, September 2025-June 2026

- Reviewed institutional data to forecast a \$13.4M FY26 deficit and modeled FY27 enrollment scenarios (480 incoming students at a 57% discount rate) to map out a projected \$14.7M operational variance
- Collaborated directly with the College President and Senior Leadership to evaluate fiscal risk, advising on scaling FY27 capital budget from \$2.0M to \$3.7M for critical IT and infrastructure needs.

Golf Club, Union College, Schenectady, NY

Vice President, October 2025-Present

- Manage \$8k budget across 12 weekend outings, reallocating to support 16-person trips.
- Introduced Interfraternity Council collaboration for an annual outing costing \$2k

PROJECTS

BDCeeker – Built a Python/Pandas/PostgreSQL tool analyzing 40+ Business Development Companies on NAV discount, dividend yield, and leverage to flag undervalued private credit opportunities for retail investors.

Opportunity Hub – *Helping you secure your future.*

Deployed a webapp that provides me with 1000+ real-time job opportunities, LinkedIn contact recommendations, and job simulation courses. Utilizes SerpAPI, Anthropic API, YouTube Data API, USA Jobs API, and Adzuna API.
